

4/11/17 Staff Meeting Agenda

Testing- Day 1 is complete, tomorrow we will start earlier but stagger the start up as we did today.

Updates from Teams- Will be discussed in more detail at next meeting

LE- Still Tweaking non-negotiable, key concepts and chore values

Primary- working on the Triad – Using North Star Montessori School as a format to get ideas and model

Ideas to use the website to show short video with listed chore values, explain the vision etc. Mrs. Corrigan emailed the link to all staff.

UE- Still brain brainstorming and working on the school's philosophy

Updates on Green Fest- Emails were sent out to remind parents of volunteer hours needed and a few parents have already signed up to help. It was suggested to have a few boxes of pizza at the booth.

Revision of Report card- meeting is tomorrow, April, Wednesday 12 right after school

Any Questions/Concerns-

Mrs. Hollinger asked that staff keep eyes and ears on students; tension is high due to testing and nearing the end of year.

A staff member brought up a concern that bathrooms in the cafeteria were exceptionally dirty. Tammi advised for staff members to let the office know when they are dirty and one of us will take care of it.

Mrs. Hollinger reminded the staff that at outside time, students are to use the bathrooms in the school and not in the cafeteria.

The church has requested that the school staff be aware of energy use. When nobody is in the church building fans and lights should be off.
