We will discuss establishing a process for public comment at our next board meeting

The Board President spoke with The Director of Charter School Operations who informed her that he was unable to answer when conversations can be private versus public when investigating these matters and referred her to speak to legal counsel. He also recommended using our payroll services provider or an attorney to facilitate the investigation. Our payroll services provider does not offer this type of assistance.

We have a \$5,000.00 deductible on our D & O insurance policy. At this time we will not file a claim through our D & O policy.

Attorney J. Kemp Brinson was recommended by several people to the Board President. Attorney Brinson offered to handle the investigation for \$200.00 per hour and anticipates 8-10 hours of investigation time. He also indicated that he should be able to complete the investigation by our next regularly scheduled meeting.

John Iskra moved to hire Attorney J. Kemp Brinson to conduct an investigation into the complaints.
